

## Paloma Faith - Can't Rely On You

Help me

How would you gon' do love this way?

I work so hard for you everyday

While you out late night do what you do

Chillin' with who?

While I'm sitting at home

Come on with it!

(I don't know what this world is coming to...)

I just can't rely on you

I just can't rely on you

Yeah, you got that good stuff but that don't last (no way)

So I just can't rely on you

Oh, Lord

How am I to ever explain

How my melted heart went right down the drain?

'Cause if you don't want me

(Release)

Repeat

(Believe)

Want some

(Want some)

Take me

He will take me right out your way

Come on with it!

(I don't know what this world is coming to...)

I just can't rely on you

I just can't rely on you

Yeah, you got that good stuff but that don't last (no way)

So I just can't rely on you

Gonna go  
Really  
You can say what you want  
But I'm not that dull  
Can't stop me  
Oh, my man  
Oh, Lord

(I don't know what this world is coming to...)

I just can't rely on you  
I just can't rely on you  
Yeah, you got that good stuff but that don't last (no way)  
So I just can't rely on you

Just pulling in like it is  
Wait a minute  
Wait a minute  
Change your ways  
Don't I deserve it babe  
Look at here  
'Cause that's why you drove me out of my mind

I just can't rely on you  
I just can't rely on you  
Yeah, you got that good stuff but that don't last (no way)  
Ain't good enough for me, baby  
Oh, baby

I don't know what this world is coming to...
